

HAGAR ARAFA

Alexandria, Egypt | hagar.arafa.tech@gmail.com | [linkedin.com/in/hagar-arafa-413707416/](https://www.linkedin.com/in/hagar-arafa-413707416/) | github.com/hegererefe111-debug/hagar_code_lab

PROFESSIONAL SUMMARY

Mathematics graduate transitioning into Data Engineering and currently developing technical skills through the Digital Egypt Pioneers Initiative (DEPI). Hands-on practice with Python, SQL, T-SQL, and Microsoft SQL Server through coursework and practical assignments. Strong analytical and problem-solving background developed through mathematics and two years of experience as an online mathematics teacher. Currently focused on building a strong foundation in databases, data processing, and data engineering concepts.

TECHNICAL SKILLS

Programming	Python
Databases	SQL, T-SQL, Microsoft SQL Server
Data Processing	pandas, Data Cleaning, Data Transformation
Programming Concepts	Object-Oriented Programming, Data Structures
Tools	Git, GitHub

TRAINING

Digital Egypt Pioneers Initiative (DEPI) — Data Engineering Track | *Currently Enrolled*

- Developing foundational skills in SQL, T-SQL, Microsoft SQL Server, and Python.
- Practicing relational database concepts and writing queries using joins, aggregations, filtering, subqueries, and functions.
- Working with stored procedures and transactions as part of SQL Server practice.
- Maintaining a GitHub repository documenting practical SQL and Python learning exercises.

EXPERIENCE

Online Mathematics Teacher | Remote

- Delivered interactive online mathematics lessons and explained complex concepts using clear, structured approaches.
- Managed virtual classrooms, organized lesson schedules, and monitored student progress.
- Analyzed student performance to identify learning gaps and adapt instructional strategies.
- Developed strong communication, analytical, and problem-solving skills through teaching and student assessment.

EDUCATION

Bachelor of General Mathematics | Faculty of Education, Kafrelsheikh University | 2021–2025

One-Year Teacher Preparation Diploma in Mathematics | Arab Academy for Science, Technology and Maritime Transport (AASTMT), Alexandria
